

# Tutorial: How to access your learning content

The screenshot shows a user dashboard for a language learning platform. The main content area is titled "Get ready to discover a new language!" and features a "Welcome" message. Below the welcome message, there are sections for "Teaser Videos", "Taster Videos", and "MOOCs". A "Tutorial" button is highlighted. On the right side, there are sections for "Calendar" (indicating no upcoming events) and "Interactions" (with an "Announcements" link). Below the main content, there is a "Spotlight" section for "Lesson 0 English" with a video player and a "Resume" button for "Hello London". Two yellow callout boxes with red arrows point to the "Lesson 0 English" and "Hello London" course cards.

Get ready to discover a new language!

## Welcome

Congratulations! You took the first step to discovering French.

Here, you'll find:

- Teaser Videos** that will introduce you to the culture and history!
- Taster Videos** that support you through an immersive real-life situation (and you'll even get some extra help along the way.)
- MOOCs** where you can practise listening, reading, vocabulary and grammar in an interactive way.

Don't forget that this page is available in FR, EN, IT, DE, and ES. Just click on the tab in the top right-hand corner and choose any language you want.

And... if you're finding moving around the platform a little bit difficult, we've got you covered for that too. Click on the "Tutorial" button below.
